PREPARING BETTER FUTURES

OUR VISION

By 2023 we will prepare better futures by equipping young people with skills for life (character, practical and employability skills). They will enjoy better wellbeing and play a full part in their communities.

OUR MISSION

Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

OUR VALUES

We act with care, respect, integrity, cooperation, exploring our own and others' beliefs.

OUR STRATEGIC OBJECTIVES

As a movement we aim to grow, become more inclusive and youth shaped, while making a positive impact in our communities.

Our pillars

To achieve these objectives we will focus on three pillars of work:

Programme

A fun, enjoyable, high quality programme consistently delivered and supported by simple (digital) tools

People

More, well trained, better supported and motivated adult volunteers, and young people, from diverse backgrounds

Perception

Scouting is clearly understood, more visible, trusted, respected and widely seen as playing a key role in today's society.
