

Blackpool District Scout Council

District Badge Policy

We wish to support our young people to achieve badges and all in Scouting work at weekly meetings, camps and events to gain activity and challenge badges and Top Awards.

We want to ensure that when the District supplies badges to the Groups that the cost is kept as low as possible, so that we encourage all to enjoy earning badges.

Badge Ordering

All orders to be submitted to the Badge Secretary via the official form on the [Blackpool Scouts website](#).

Payment should be made by BACS to the District account:

- Name: Blackpool District Scout Council
- Sort Code: 40-52-40
- Account Number: 00013876
- Quoting the name of group and the word "Badges", eg 50th Badges

In exceptional circumstances a cheque will be accepted. Cash will not be accepted in payment for badges.

Badges will then be collected as per Badge Secretary instructions.

All badges should be paid for at the time of ordering and no later than two weeks after delivery. If the badges have not been paid for after two weeks, the District Treasurer will then follow up. Should there be any reason why payment cannot be made in the required time period, then the District Treasurer should be advised, otherwise any future badge supply could be affected.

If badges are not available, this will be noted on the invoice and supplied as soon as possible.
