## You can make an impact

In Blackpool, opportunities can feel out of reach for many young people. Scouts changes that.

Scouting is needed more today than ever before. We help to achieve greater social cohesion, happy resilient citizens, more civic participation and improved social mobility.

Scouts is where young people make new friends, have amazing adventures, and learn #SkillsForLife

Every week we give over 800 4–25-year-olds the skills they need for school, college, university, the job interview, the important speech, the tricky challenge, and the big dreams.

Everyone's welcome. All genders, races and backgrounds. Regardless of your young person's physical ability – there's a Scout adventure out there waiting for them. And we'll help them find it.

**But here's what most people don't know...**

### **Blackpool Scouts is a registered charity.**

We receive no funding from The Scout Association, central or local government grants. Every camp, every activity, every life-changing experience is made possible by member subscriptions and the generosity of local supporters.

Our workforce are all volunteers. We have 300 dedicated adults giving up evenings, weekends and school holidays to deliver an inspiring programme. **No one is paid.**

This commitment is alongside busy work and family lives. We estimate that on average our volunteers each week give the equivalent of **£120,000** worth of paid youth work for free.

## A glimpse of your impact

Every penny goes directly to creating opportunities for young people. We are proud to be the largest volunteer led youth organisation in Blackpool.

### **Imagine a young person who has never left Blackpool.**

Through Scouts, they pitch their first tent under the stars, cook their own meal, and discover they can lead a team. That confidence doesn't stop at camp, it follows them into school, work, and life.

### **Imagine a young person who has never worked in a team.**

Through Scouts, they join a patrol, share responsibilities, and learn that collaboration achieves more than working alone. That teamwork doesn't stop at the meeting - it shapes how they succeed in school and beyond.

### **Imagine a young person who has never managed money.**

Through Scouts, they budget for a trip, make choices, and understand the value of planning ahead. That financial awareness doesn't stop at camp - it prepares them for independence and smart decisions in adult life.

### **Imagine a young person who has never solved a problem on their own.**

Through Scouts, they figure out how to pitch a tent in the rain and adapt when plans change. That resilience doesn't stop at camp - it helps them face challenges in exams, work, and life.

### **Imagine a young person who has never spoken in front of a group.**

Through Scouts, they share their ideas, lead an activity, and discover their voice matters. That confidence doesn't stop at Scouts - it helps them shine in school, interviews, and future careers.
